Australian Credit Licence

- credit will be unsuitable if at the time of the assessment, it is likely that at the time the credit is provided:

- you could not pay or could only pay with substantial hardship;
- the credit will not meet your requirements and objectives.

Once we have done this, we will then use our broking expertise to find a product in the market place that you can afford and that meets your needs.

We can provide you with a report – called a *Preliminary Assessment* – on how we determined that any loan we assisted you with was not unsuitable for you. You may request this report up to seven years after we provided you with this assistance. We are only required to give you a copy of the preliminary assessment if we give you credit assistance.

With what products do we provide assistance?

In the past 3 months, the top 6 lenders that our clients have been placed with are:

1. Alpha Financial Services
2. Maquarie Leasing
3. ANZ
4. Pepper Money
5. Liberty Financial
6. Finance One

Our assistance process

This is not to say that we will only deal with these lenders, it is simply that the products these lenders offer have been most suitable to our most recent clients. Your case may be different and we would look at your needs separately and independently of the above list.

We are required by law to ensure that any credit product with which we assist you can be deemed “not unsuitable” for you. In simple terms, this means that the product fits your needs and that you can afford to meet the financial repayments.

How do we get paid?

You can contact us by whichever of the following means best suits you:

We are paid a commission directly from the lender. The lender may pay us a percentage amount upon settlement of your loan and may pay us an ongoing percentage amount for the life of your loan.

These amounts are paid to us by the lender and ARE NOT payable by you. If you are interested and want an estimate of what our commission payment will be and how it is worked out, please just ask us and we will be only too glad to provide you with this information.

Referral fees

In some cases, your business may have been referred to us by non-regulated third parties such as real estate agents, accountants, financial planners etc. Where this is the case, we *may* pay a referral fee to these parties. If we do pay a fee to these parties, then 1) they should already have told you about this; and 2) we will either disclose the actual fee in our final documentation with you or we will instruct you that, if you want to know, you can ask us about the fees and we will tell you how much was paid and how it was worked out.

What if you are not happy with our services?

At Fundit Finance, we always work hard to build strong and lasting relationships with our valued customers. By listening to your feedback, not only can we address any immediate concerns you may have, we will also continually improve our products and services.

We know there are times when you may wish to compliment us on something we have done well and other times when you may wish to tell us we have not met your expectations.

If, for any reason, you do not feel that you have received the highest standard of care from us, we encourage you to share this with us. We have developed a process that we believe makes it easy for you to tell us of your concerns and for them to be addressed quickly and fairly.
